1. [REDACTED] EMPLOYMENT REQUEST Per her request, I sent a professional brochure and application form for Agency employment to Lorna, in the Santa Barbara, California district office of Representative Robert Lagomarsino (R., Calif.). The request was made in behalf of a constituent.

2. [REDACTED] LIAISON Per her request, sent via courier to June Roth, in the office of Senator Adlai E. Stevenson (D., Ill.), a copy of the National Basic Intelligence Factbook.

3. [REDACTED] LIAISON Bob Goodlatte, from the Richmond, Virginia office of Representative Caldwell Butler (R., Va.), called seeking help in locating the son [REDACTED] of a constituent. The son was last heard from when a package arrived from [REDACTED] with the son's identification and pocket lighter in the package. They have not heard from the son in over two years and Mr. Goodlatte wants to make sure that no stone is unturned in attempting to locate the son. He said that he would call me back in a few days with the son's date of birth and I said that I would wait until then to attempt to determine whether we had ever been in touch with him. I added that in the (unlikely) event that we had been, there well might be Privacy Act prohibitions on what we could do for him. Mr. Goodlatte understood, was most appreciative, and said that he would be back in touch with us.

✓ 4. [REDACTED] LIAISON Diane LaVoy, House Permanent Select Committee on Intelligence staff, called with two requests: (a) "Study of All Alert Memoranda Issued prior to August 1975." It is her understanding that this study was requested by the DCI and was due for production in August 1975, and (b) USIB-D-15, 2/118 of 31 January 1969 entitled "Confrontation in Korea and its Post Mortem." I told her that I would check and get back to her. After checking with [REDACTED] IC Staff, I asked [REDACTED] NFAC/CSS, to attempt to locate these documents for Ms. LaVoy's review.

20. [] ADMINISTRATIVE DELIVERIES

25X1

Delivered to Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, summaries of the [] cases, []

[] and a letter from [] Acting Legislative Counsel, regarding an allegation by Charles Siragusa regarding CIA assassination plotting, all for Bill Miller, Committee Staff Director.

21. [] LIAISON Received a call from

Gerald Decker, on the staff of the Foreign Assistance Subcommittee, Senate Foreign Relations Committee, requesting both unclassified and classified information the Agency had on international terrorism. After checking with CSS/NFAC, I called Mr. Decker and told him that this information was being sent to Norvill Jones, Chief of Staff of the Committee, and that he could look at the material there. Mr. Decker thanked me for this information.

22. [] LIAISON Per his request, sent via

courier to Jack Sands, on the staff of the Subcommittee on Merchant Marine, House Committee on Merchant Marine and Fisheries, a copy of the Agency publication, "Soviet Commercial Operations in the West," dated September 1977.

23. [] LIAISON Called Mike O'Neil, Chief

Counsel, House Permanent Select Committee on Intelligence, with regard to the transcripts and follow up questions for the 15 and 16 March Committee hearings on structure of CIA, structure of the DDO, and mechanisms for obtaining covert action approvals. I told Mr. O'Neil that some of the questions (there are 99 major questions with a considerable number of subquestions) were giving the DDO difficulty in that many of the questions are too broadly based to provide meaningful answers within a short time frame. Mr. O'Neil indicated a willingness to discuss any or all of the questions and modify any that would be improved by this modification. I told Mr. O'Neil that I would be back to him as soon as I could line up a representative group of individuals who had problems answering the Committee's questions.
